Title: **Flirt Analyzer**

Brief Desc.: A Flirt means fun – but where will it lead to? The Flirt Analyzer will tell you...

Full Desc.: From now on you can evaluate if a flirt will be a success – thanks to the electronic wonder world of your handset.
Point your mobile at the target person, make a gender selection and start the analyzer. After a short scan your handset show you, what will be the result of a flirt with the target person!
