Title: **Kitty Catcher**

Brief Desc.: Catch the cats that fall off the wall. This game revives the classic Tric O Tronic feeling.

Full Desc.: The cats try to walk along the wall and fall down. You can store two cats in your car at the most. If you walk to the left side, the cats jump out one after the other and you have room for new ones. From time to time the dam briefly appears on the right side. If you catch her, you get a bonus and get rid of all cats.
