

**ID:** 51001**Title:** Missile Defender**Brief Desc.:** The arcade classic on your mobile! Defend your town against inflying missiles with five canons.

Full Desc.: The year 2321. Six towns form the last human stronghold against evil aliens. They are defended with huge laser guns against inflying missiles. There are also three super bombs, which destroy all missiles within many miles. Your task: Save the six towns from destruction as long as you can. From time to time you will see an enemy supply space ship. Shoot it down- you'll get points, a bomb or even a whole town.
