

## PRICING : Poly / Mono Ringtones

### 1. What you (can) get:

Poly / Mono Ringtones are instrumental versions of popular songs, either current chart hits or all time best sellers like movie themes. This type of content is commonly NOT free of 3<sup>rd</sup> party rights – please check the license.pdf file for details! However there are about 100 titles which are free of any further rights, mostly classical music, anthems and traditionals. You will get a 4 and 16 channel polyphonic file formats and 1 channel monophonic file formats. In addition there are MP3 prehear files for each.

### 2. That's the price:

Package	Items	Remark	Price	Price/Item
<b>Ringtone Offsale Package</b>	<b>1513</b>		<b>€ 1000,-</b>	<b>€ 0,66</b>
Additional Special*	100	Optional*	€ 200,-	€ 2,-

\* For all buyers of the Offsale Package we offer 100 additional ringtones out of our regular weekly charts production for the special price of € 2,- per item! This is an optional offer, of course!

### 3. Special conditions

Above prices are for the license as defined in the "LICENSE.PDF" sheet which also can be found in this presentation package. If you

- don't need such an extended license and only want to have limited conditions
- only are active in low price regions
- have any other reason why you think a lower price would be justified

you can apply for special conditions, using the "SPECIALCONDITIONS.DOC" form also available in this package!

### 4. Payment / Shipment

Content will be delivered AFTER the payment has arrived on our account. Smaller packages (below approx. 1 GB) are delivered by Download (via FTP or HTTP), bigger packages are shipped on DVD. Standard delivery should last between 5-8 days.

- Shipment of smaller packages will be charged with € 50,-
- Express delivery will be charged with extra € 50,-
